

Let's Play with Numbers!

Gross Motor — Roll a dice, complete the gross motor activity on the dice. Can you complete all 6 movements?

Roll a Task: Brain Break

1	20 Jumping Jacks	
2	15 Sit-Ups	
3	Hop on one foot	
4	10 Push-Ups	
5	Touch your toes (hold 15 seconds)	
6	Run in place	

Fine Motor with paperclips

Can you link 2 paperclips together?

5 paperclips together?

10 paperclips together?

For a challenge –

1. Roll 2 dice, count the number of dots, make a paperclip chain of the number of dots
2. Roll 2 dice, practice putting that number of paperclips onto a manila folder
3. Pick up 5 paperclips one at a time and pocket them in your palm, try dropping the paperclips back onto the table once at a time

Handwriting

1. Numbers to 100 grid – fill in the missing numbers
2. Wolf Addition and color
3. Dice Roll an Alphabet – Roll one dice for each column, write the upper and lowercase letters on your paper. Write a word that starts with that letter.
4. Make a list – Number your paper from 1-10. Can you come up with 10
 - Ice cream flavors
 - Things to do when the weather is hot
 - Things to do in the summer

Visual Perception

1. Find and color to 30 – Find and color in the numbers 1-30.
2. Summer Hidden Picture – Count the summer objects and write how many there are in each box
