

Ocean

Hidden Pictures

By: Paula Harrell

Learn + Play = Pre K

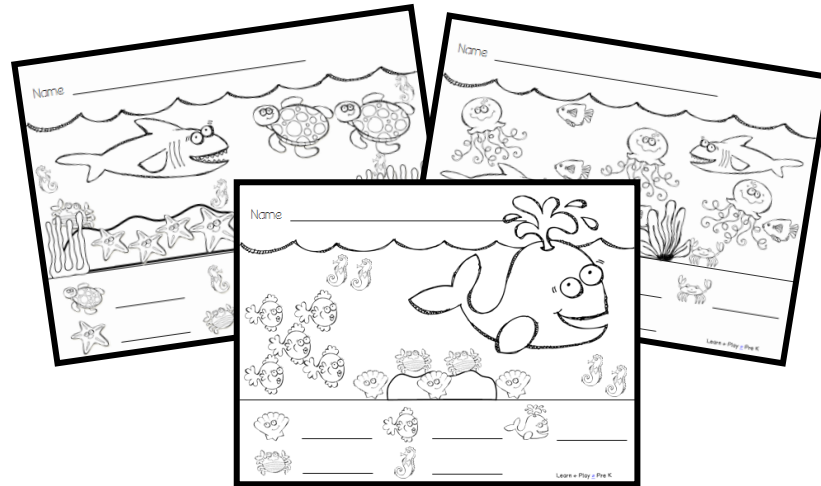

Ocean Hidden Pictures

To Prepare:

Copy pages and use in a math center or just for fun.

To Play:

Students will find hidden pictures, count, and write number on line.

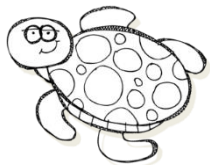

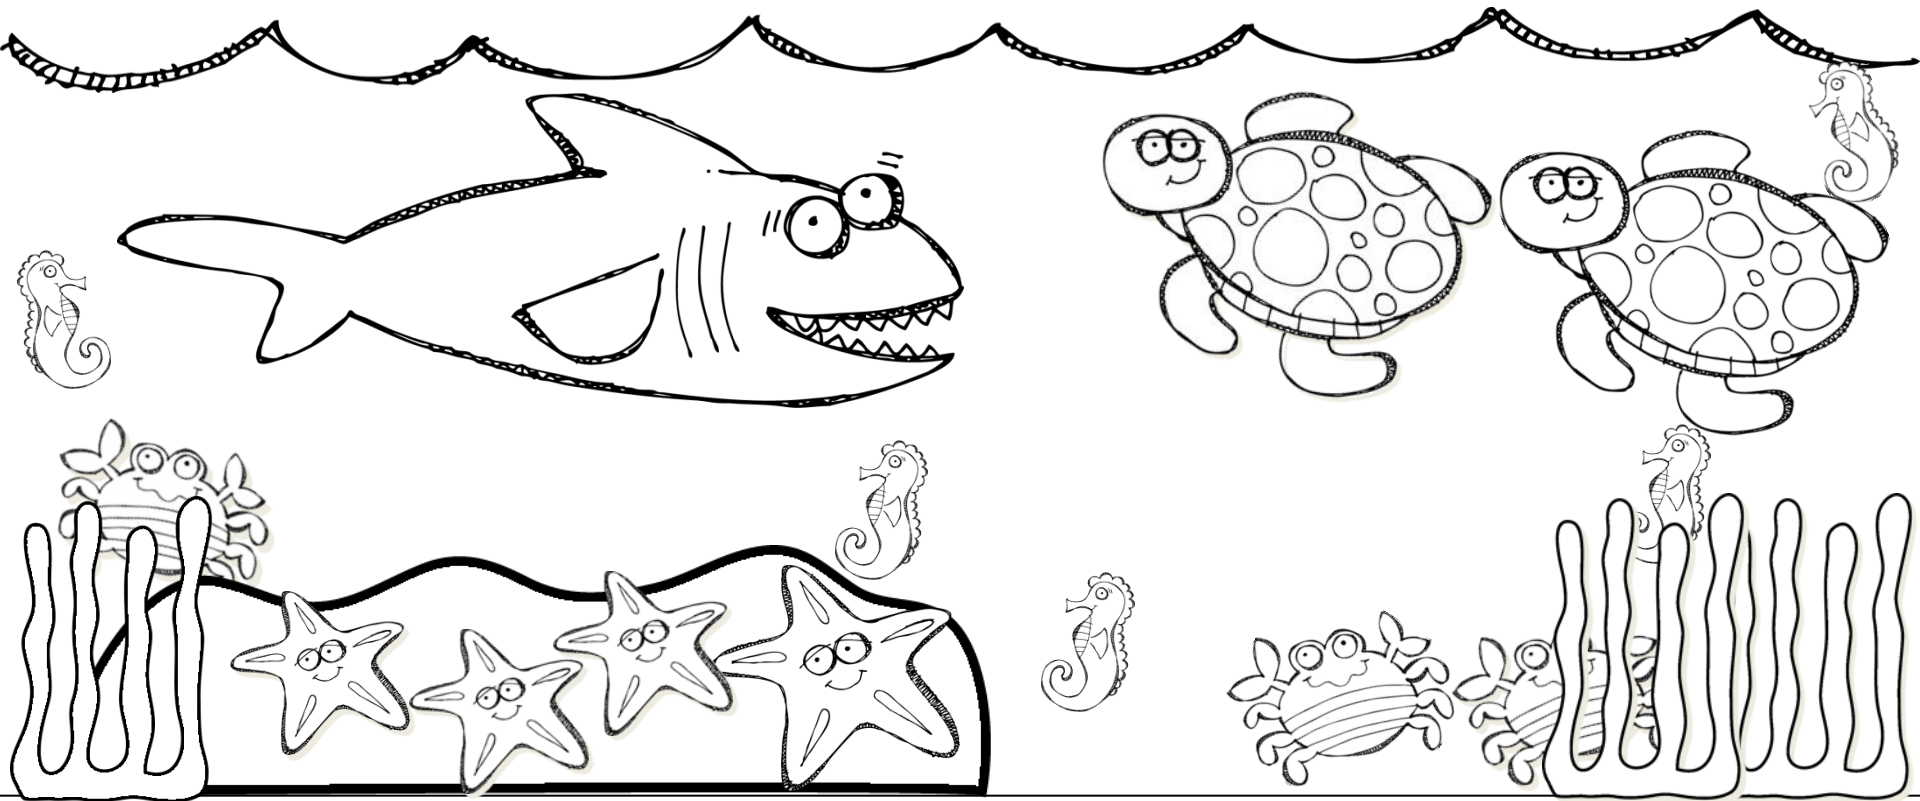

Thank you for downloading my product. If you are not completely satisfied or have an idea on how to make it better, please email me at pharrell63091@gmail.com
