

Playground Spatial Awareness Activity

Try asking these questions as kids look at the playground page. For in-person use, print the page. For on-screen use, simply open the page and show to the child via screen share.

How many birds are flying above the clouds?

What is flying above the tree?

How many kids are running under the tree?

Find the boy standing next to the slide. What color is his shirt?

How many kids are standing on top of the slide?

Is the kite above or below the clouds?

Is the swing to the left or the right of the jungle gym?

Where are the birds flying?

What is next to the swing?

If you are able to print and share the page, have the child follow the directions below:

Draw a sun in the top right corner of the page.

Draw a string from the kite to the hand of one of the kids standing under the tree.

Draw a kid sitting on the swing.

Draw a bird sitting in the top of the tree.
